The Oriental Club in the heart of Central London provides a welcoming and special backdrop for our evening of Sabrage, fine food, wine, and conversation.

For nearly two hundred years, Stratford House has offered a relaxed sophistication for members and guests to unwind and enjoy the moment.

Sabrage and dining will be outdoors under the Shamiana, creating an atmospheric setting for the evening.

This La Chaîne and Le Sabre d'Or dinner is a celebration of fine dining and shared experience, enhanced by carefully paired Champagnes, wines, warm hospitality, and the added theatre of Sabrage.
